Re: United States v. Corey Williams 20 Cr 166 (ALC)

Dear Judge Carter:

I write to request that the Court modify Mr. Williams's bail conditions to remove the condition of home detention enforced by electronic monitoring. Pretrial Services does not object to this request as Mr. Williams has been fully compliant with all aspects of his pretrial release and does not believe electronic monitoring is necessary to ensure Mr. Williams returns to Court or to protect the community. The Government defers to Pretrial.

The Court so ordered a temporary bail modification last week for Mr. Williams to attend a funeral. To the extent that order was meant to also grant the above request, I apologize for the duplicative nature of this motion.

Thank you for your consideration of this request.

The application is

granted.

denied.
